

Taste of Spain

2018 Sponsorship Packet

About Our School

The Montessori Learning Center of Fort Walton Beach was established in 1978 to provide a comprehensive Montessori-based program for children in grades Pre-K3 through Kindergarten. In the 2017-2018 academic year, we expanded to serve 1st grade. In the 2018-2019 academic year, we will be expanding to serve 2nd grade!

Within our community, our high academic standards are well understood and highly regarded, as is our successful accommodation of different learning styles and speeds. Scientific studies comparing Montessori to a traditional education have proven Montessori students, among other things, to be more interested in learning, more self-disciplined, and more creative. Our school's academic goal is to provide each student with a Montessori-based education that rivals that of the best Montessori schools in the nation. In our students, we create lifelong foundations for learning, and foster the development of the whole child.
