2019 Sponsorship Packet

About Our School

Established in 1978, The Montessori Learning Center (MLC) of Fort Walton Beach has served the greater Fort Walton Beach area with a comprehensive Montessori-based early childhood education for grades Pre-K3 through Kindergarten. In 2017, MLC expanded to serve 1st Grade and added 2nd grade in 2018. This met an obvious and robust demand for continued education in the Montessori model. In the near future, MLC's goal is to purchase and build a dedicated campus in the heart of Fort Walton Beach. We want to offer a curriculum from Pre-K3 all the way through the 6th grade.

Within our community, the high academic standards of MLC are established and highly regarded. The Montessori model provides unmatched flexibility and accommodation to a vast array of unique learning styles and speeds, transforming the "work" of education into a self-driven joy and desire to learn for the child. Scientific studies comparing Montessori to a traditional education have proven Montessori students to be more interested in learning, more self-disciplined, and more creative. Montessori students outperform their peers on standardized testing and are more likely to go to college than peers exposed to a traditional educational method. MLC's resolute academic goal is to provide each student with a Montessori-based education that rivals the best Montessori schools in the nation.

"Providing a Montessori-based education for the development of the whole child, creating a lifelong foundation for learning." – MLC of Fort Walton Beach, Mission Statement

About the Event

Taste of Spain is a lively celebration of Spanish cuisine and drink, the proceeds of which will benefit the expansion and building fund of the Montessori Learning Center. At this event, guests enjoy paella cooked on-site by famed chef Juan Ten of Real Paella, European inspired tapas, fresh oysters shucked on-site, bottomless sangria and craft beer, lively music, and a raffle wall.
